

## Doggy Daycare Information

The cost for a full day of day-care is \$30 and a half day is \$20 for one dog. The cost for a full day of day-care is \$40 for two dogs and a half day is \$25 for two dogs from the same household. Drop-off time is between 7-8am and pick-up is between 1-2pm for half days and between 4-6pm for full days. **Alternative times can be arranged pending availability.**

The cost is higher than daycares in the city because we don't have a 15:1 ratio, we have a 3:1 ratio (maximum three dogs for every staff/adult supervising), and your dog spends time with a certified professional dog trainer.

**Full Time Daycare:** 6-10 hours per day, five days per week, Mondays through Fridays only (sorry, no weekends!)

Full time for one dog .... \$125 weekly (save \$25)

Full time for two dogs .... \$150 weekly (save \$50)

# Doggy Daycare Policies

- Puppies must have their first round of vaccinations prior to attending doggy daycare and must be in good health according to their veterinarian.
- All pets **must** be up to date on vaccinations according to your veterinarian and proof of vaccinations is required when booking.
- Cancellation fees will apply if you cancel with fewer than 24-hours (one business day's) notice. **The cancellation fee is \$15 for a full day and \$10 for a half day.**
- Please bring your completed boarding questionnaire when you drop off your dog, or submit one electronically at <http://www.pawsitivepooch.ca/boarding-questionnaire.html>
- Feel free to include anything that will help make your dog's stay more enjoyable, such as a favourite toy
- You are welcome to bring a comfort item from home for your dog (i.e. an old t-shirt that smells like a family member a favourite toy or blanket)
- Please put your dog's name on anything that has a tag or that you can write on
- If you wish us to feed your dog while they are at daycare, please provide the food along with feeding instructions (amounts, usual times, preferences, etc.) and whether they must be fed alone
- Please bring any medications needed with specific administration and dosing instructions from your dog's veterinarian
- Please bring a regular 6-foot leash (nylon or leather) and a regular collar (buckle preferred). If your dog pulls on walks, or if you prefer using them, please also provide your dog's harness or head collar. **We do not use any collars or equipment that may cause the dog discomfort, pain or fear. Please ensure all equipment is fitted properly so your dog cannot slip out while on a walk.**
- Please ensure your dog has proper I.D. on his collar with up-to-date contact information
- Please provide a name and number of a trusted person in town in case of emergency
- All dogs must be up to date on vaccinations prior to boarding or attending daycare, including bordetella (kennel cough). Please note that bordetella vaccinations can take up to 2 weeks to take effect and only last between 6 months to one year, so it is best to book a vet appointment 2-4 weeks prior to boarding your dog or having your dog attend doggy daycare.
