

Commercial Truck Products

YOUR SELECTED TRUCK:

HERD AERO

Popular with owner operators and fleets requiring premium looks and protection. Unique sweptback shape offers maximum airflow, superior aerodynamics and great styling for today's highway trucks.

Also available for set-back axle trucks.

Chosen Options

Four Post

Custom Lights

No Signal Lights

Vertical Tubes

Typical Buyer

Fleets and owner operators who won't compromise on style or protection for their highway trucks.

Benefits

Deep aerodynamic bumper provides excellent protection and coverage against animal collisions, without sacrificing style or aerodynamics.
