Mission Statement

Get to know us and what we think is important

Victorious Flooring's success and that of our employees is based on our core values of honesty, integrity, and hard work. From these values, we have embraced a set of principles that we believe in and use to govern our behavior.

Mission

We will exceed our customers' expectations in quality, service and value, while continually increasing our value to our future clients; and provide growth opportunities for our people. We will accomplish this in an environment that values and respects the varied backgrounds of all people.

Vision

To be a world-class company as defined by the customers we serve.

Values

Honesty, integrity, and hard work.
