Owner/Head-Chef Russell Auchkaraullee, started in the trade with the passion of cooking and creating something from nothing making people say "WoW"

He had some thoughts at 29 and he started 10 years too late but this still didn't deter him. His wife supported him and he decided to go back to school in Culinary. After School he realized it wasn't the school you go-to but the experience you have in the industry. Russell knew working in the right restaurant was key and started from the bottom to head Chef at Mange e Bivi Downtown Toronto.

Working in the restaurants especially in the film district you may cook for some famous people. Some of the famous people just to name a few are: Deepa Mehta and Salman Rushdie. He said "I know there are not many people that can say they cooked for Salman Rushdie" this guy was in hiding for decades, and it was important to Russell because Salman Rushdie's ex-wife (Padma Lakshmi) is a judge and host for Top Chef in America.

One day Russell was asked from a friend if we would want to cater to 100 of the Canadian Olympic Team from London 2012. After conversing with Rosannagh MacLennan the sole Gold winner for Canada, she came up to the kitchen asked him for the name of his catering company – he realised he can do this on his own.

Russell said goodbye to the restaurant life and went out his own - Penthouse Catering - formed Oct 2012. Since then he cooked for the Premier of Ontario, guest TV spots, office parties, wedding parties, birthdays, intimate dinners, all throughout the GTA from 2 – 100.

Russell said he's only as good as his team. They specialize in fine dining to comfort food.

He is always advertising, self-promoting, thinking of out of the box, being different and being on top of the trend... Russell is planning to open a restaurant in the near future showcasing his roots of Mauritian Creole Cuisine and fusing them with his favourite foods growing up in Toronto.

So whether you are planning a New Year's Eve, Office Party a Wedding or any Event. Pamper your guest with Penthouse Catering. Includes Chef - Server & Photographer – Waited Service or Buffet Style. Cater from 20 – 100 people.

Get Penthouse Catering to do you next event and they know that you need personal attention to every detail and exquisite cuisine.
