

CLINIQUE DE MÉDECINE INDUSTRIELLE
ET PRÉVENTIVE DU QUÉBEC

**Say YES to the vaccine
and NO to the flu!**

Vaccination campaign for 2013

**Our nurses come to
your premises to vaccinate your employees !**

Vaccination is the fastest and most efficient solution to stop influenza.

Vaccination is the best way to reduce absenteeism and the loss of productivity at work.

Every year 50,000 Quebecers are hospitalized because of influenza and over 1000 person die from it.

The best solution to prevent unpleasant surprises !

Plan and book your mobile vaccination clinic right now !
