

## Ucluelet - A fishing destination for all seasons

**February, March, April:** Great winter Chinook fishing in Barkley Sound. Fantastic wildlife viewing including Gray and Orca Whales, Eagles and Sealions. Herring are in Barkley Sound early February to late April, providing great fishing opportunities. Much more than a fishing trip, a true wilderness experience.

**May, June, July:** Fantastic offshore Chinook and Halibut fishing, from 3 to 20 plus miles out on the Pacific Ocean. Drift or anchoring for halibut, trolling for salmon - a super fishing combination. Great salmon action - sizes 5 to 35lbs. Hot, hot halibut fishing with many in the 15 to 35lb range and some can go well over 100lbs.

**July, August, September:** Halibut Fishing action that can't be beat. Or Test your skills & patience in pursuit of the big Chinooks, many tye size (30 lbs & over). Expect that zing of adrenaline when coho fishing; the most typical bite is the smash and run pattern, some up to 25lbs for some reel rod bending and reel spinning action.
