

Accent Media Corp.

Accent Media Corp offers different kinds of mobile advertising including Mobile LED Unit, Mobile billboards, 3D Mobile showroom, and Mobile digital advertising. All these advertising options are innovative, unique and designed to create unforgettable results. Mobile advertising is one of the best ways to create stimulating and memorable experiences that reach your target market within a very short period of time.

About Us

Welcome to Accent Media Corp.

Accent Media Corp offers mobile advertising services. We can accomplish almost anything you can dream up. We are part of the largest network of multi-media platforms. Our unique, high-profile displays capture attention and create a strong emotional connection with the viewer. Accent Media Corp has exclusive experience in helping clients and partners achieve their marketing objectives. Our creativity and outstanding customer service helps to deliver truly memorable and successful advertising campaigns. Our **shared scrolling mobile billboards** vehicles generate multiples more attention compared to a static billboard. Your advertising will be displayed on three large (two sized 12' x 6' and one sized 6' x 6') billboards that scroll and are backlit at night to ensure all eyes are drawn to your message.

Using mobile scrolling advertising you can easily convey any promotion directly to consumers. We strategically drive the most highly trafficked and visible routes that create exposure for over 30 hours a week. Accent Media Corp offers more flexibility and creative opportunities to showcase your brand with our most popular advertising program, our exclusive **3D mobile showroom**. This innovative branding and promotional campaign is designed to deliver a powerful, emotional connection with consumers to create maximum impact for your brand. Our vehicles are wrapped with your branded graphics, becoming an exclusive event in a box, which will show up at all kinds of locations, throughout the city based on a custom calendar we develop just for you. Our **HD quality LED video advertising** commercials run on 3 giant digital screens that deliver an instant video message to a wide audience, during big sporting events, concerts, festivals and countless any other occasions. Our vehicles are also equipped with an eight-speaker sound system, which gives consumers another way to experience your message. Accent Media Corp offers video trailers custom designed to spotlight your company's services or, any commercial video.

We offer mobile advertising services

LED MOBILE UNIT

Accent Media offers mobile LED video advertising services using our 3 vehicle surrounding LED giant screens two 15' x 6.5' and one 6.5' x 6.5' during all kinds of sporting events, concerts, festivals, as well as in areas with high foot traffic, in order to reach a wide audience.

MOBILE BILLBOARDS DESIGN

Accent Media Corp offers an exclusive printing rates for the Mobile billboards. The billboards design is included into the printing services. The billboards are offered in the following dimensions: 2 sides: 12' x 6', and the rear billboard: 6' x 6'.

3D SHOWROOM DESIGN

Accent Media Corp offers the 3D showroom design services for any type of advertised product. The basic design quote is included with the set up flat rate. In case of some special design requests the design quote will be based on the hourly rate.

Mobile LED Unit on the road

The mobile digital display truck can be placed near business areas, night clubs, restaurants, shopping centers, or wherever your target audience might be.

3D Mobile Showroom

Our 3D mobile showroom is created to showcase all kinds of real three-dimensional products, such as motor vehicles, motorcycles, small motor boats, scooters, sea-doo's, furniture, office environments, clothing collections, jewelry displays, tourism showcases, and countless other ideas. The additional possibility of vehicle wrapping (full or partial), completes the branding of our truck for your mobile showroom advertising campaign. Accent Media Corp offers you a unique advertising opportunity to reach your audience with a live display of your real product. The appearance of the 3D showroom in different parts of the city during different times of the day provides unmatched visibility and guarantees the best exposure to reach your particular target market.

3D MOBILE SHOWROOM

Accent Media Corp offers various 3D mobile showroom packages

Special events 3D showroom

3D showroom is a unique possibility to advertise all kinds of special events, performances, exhibitions, shows, movies, theater plays, museums, clubs, concerts and other cultural events.

The showcase can be designed using different attributes taken from the advertised product, such as: theatre costumes, cartoon heroes, dummies representing the movie characters, specific objects related to the show.

Mobile billboard advertising

Build your business awareness with the use of mobile scrolling billboards and reach thousands of people each day. Mobile billboard advertising is one of the best forms of uninterrupted advertising as the eye is naturally drawn to our giant, illuminated two 12'x 6' one 6' x 6' billboards which attract your attention anew every ten seconds.

Why mobile scrolling billboard advertising?

Each side of an Accent Media Corp Mobile vehicle has right, left and rear scrolling billboards that deliver new messages every ten seconds. With the ability to scroll multiple billboards on three sides and broadcast your radio spot over an eight-speaker sound system, this is truly the best way to engage your consumers' senses. Accent Media's mobile scrolling billboard vehicle follows proven routes in the most heavily trafficked areas ensuring the best visibility for your advertising message.
